Dear Stallion Owners & Farm Managers,

Kansas racing is back with great purses, outstanding racing surfaces, and exciting opportunities for the Quarter Horse industry!

The Kansas Quarter Horse Racing Association (KQHRA) invites you to support the 2027 Kansas Jackpot Stallion Auction, held online December 15, 2026, through January 30, 2027.

For more than 33 years, KQHRA proudly hosted one of the nation's first stallion auction programs tied to a Futurity and Derby. We are excited to bring this tradition back and build an even stronger future for Kansas racing.

A portion of auction proceeds will support the Kansas Jackpot Futurity, with remaining funds dedicated to protecting and growing Quarter Horse racing in Kansas.

Offspring of stallions whose donated breedings are purchased through the auction will be eligible for the 2030 Kansas Stallion Jackpot Futurity.

We know stallion owners receive many donation requests, but our mission is simple: More racing opportunities mean more demand for racehorses, more mares bred, and greater value for your stallion program.

Your participation makes a difference.

Your support is more than a donation, it's an investment in the future of Quarter Horse racing.

Thank you for helping us bring Kansas racing back stronger than ever!

Sincerely,

Kansas Quarter Horse Racing Association (KQHRA)
